

Instructions for Form IR-42J

Joint Economic Development District (JEDD) Application for Filing Extension

For use in preparing

2010 Returns

The City of Columbus administers the municipal income tax for the North Pickaway County JEDD and the Prairie Township JEDD..

It is important that a completed return be filed on or before the due date as prescribed by Columbus City Codes. The Code states that "The City Auditor shall have the authority to extend the time for filing of the annual return, provided the request of the taxpayer for extension is made in writing and received on or before the original due date of the return. The extension period requested may not exceed six (6) months or the last day of the month following the month of any extension granted by the Federal Internal Revenue Service as prescribed under O.R.C. §718.05." If an extension has been requested of or granted by the Internal Revenue Service and you are unable to prepare an accurate return for filing on the due date, this form must be filed and the tax thereon paid by the date the return is normally due.
